President News

I hope everyone is doing well and in good health. Page 2 of the newsletter list our November birthday members. I wish all of you a happy birthday and hope you have many more.

I hate to say it, but winter is here and the riding season for 2021 is about gone. We still will have a few good days to ride, so don't put away the motorcycle yet.

Last month, we welcomed home one of our Korean War MIAs. Sergeant DeWitt remains arrived at the Indianapolis Airport on October 19th and was laid to rest on October 23rd at the Royal Center Cemetery located in Royal Center Indiana. Chapter members joined with the Indiana Patriot Guard to escort Sergeant DeWitt to the funeral home in Logansport Indiana and from the Funeral home to his final resting place. Sergeant DeWitt was buried with full Military Honors to include a Horse Drawn Caisson to the grave site. See pages 5 and 6 for the details.

Five Chapter members attended the Rolling Thunder® National Conference in Washington DC. Several Chapter were present at the Conference. National had Lieutenant General McInerney as one of the guest speakers. LTG McInerney is a highly decorated Veteran and has spent a lot of time in the White House. LTG McInerney had some interesting comments on the 2020 election results. If you are interested in knowing more about LTG McInerney, google “**LTG McInerney**”. Interesting read.

One takeaways from the National conference was that the Membership Dues has been increased from \$30.00 to \$40.00 effective November 7th, 2021. National also added to the constitution that all Rolling Thunder Chapters will pay Rolling Thunder National \$100.00 in February of each year to help pay office expenses. Due to many Chapters opposing this requirement, National withdrew the change from the constitution. **The Chapter was also presented with the Arthur T. Foss Outstanding Award** for our success with the POW/MIA License Plate and helping our Indiana Veterans. See pages 7-12 for more details on the National Conference.

On Saturday December 4th, we will play BINGO with our Veterans at the Indiana Veterans Home and our Christmas party on December 5th. Please make your RSVP for the Christmas party by December 1st. See pages 13-14 for details. Hope to see you all on Sunday November 21st at the Veterans Center.

The next Chapter meeting is Sunday November 21, 2021

Chapter Meeting

October 17th, 2021

The October Chapter meeting included the **Best Halloween Costume** contest. Most members came in their every day costumes (and some are really spooky), but a few dressed up for the contest. The members voted on the one that they thought was the best and the Junior members won it all. It turned out to be a three way tie.

Sergeant Stanley Lee DeWitt
Royal Center Indiana
Korean War MIA Accounted For

On June 5, 2020, the Defense POW/MIA Accounting Agency (DPAA) accounted for Corporal Stanley Lee DeWitt, missing from the Korean War. Corporal DeWitt, who entered the U.S. Army from Indiana, was a member of the Medical Detachment, 57th Field Artillery Battalion, 7th Infantry Division. His unit was a part of the 31st Regimental Combat Team (RCT), tasked with replacing the 5th Marine Regiment on the east side of the Chosin Reservoir, and arrived at the P'ungnyuri Inlet in late November 1950. Chinese Communist Forces (CCF) launched large-scale attacks against the 31st RCT through December 1, when the RCT withdrew to the town of Hagaru-ri at the base of the Chosin Reservoir. On December 6, at some point, CPL DeWitt was killed during the withdrawal but his remains were not recovered at the time of his loss, nor were they identified among those returned to U.S. custody after the war.

In 2018, U.S. President Trump and D.P.R.K. (North Korea) Chairman Kim Jong-un conducted a summit meeting in Singapore. Chairman Kim promised to repatriate American remains and turned over 55 boxes that were said to contain the remains of American service members killed in the Korean War. The remains were then transferred to the Defense POW/MIA Accounting Agency (DPAA) laboratory in Hawaii for identification purposes. Scientists used anthropological analysis and circumstantial evidence to identify Stanley's remains. Other scientists from the Armed Forces Medical Examiner System used mitochondrial DNA analysis. In layman's terms, the 54th box to be opened matched the DNA provided 20-years ago by the DeWitt brothers. Sgt. Stanley DeWitt was officially accounted for on June 5, 2020.

On Tuesday October 19th, Chapter members and the Indiana Patriot Guard escorted Sergeant DeWitt from the Indianapolis Airport to the funeral Chapel in Logansport, Indiana.

The Funeral Service for Sgt. Stanley Lee DeWitt was held on Saturday, October 23, 2021, at the Fisher Funeral Chapel in Logansport, Indiana. Rev. Carolyn DeWitt (whose husband, Wendell, was just ten-years-old when his Uncle Stanley went missing in action) officiated the service. After the funeral services, Sergeant DeWitt was escorted to his final resting place at the Royal Center Cemetery located Royal Center Indiana.

Rolling Thunder®, Inc National Conference

November 4th through 7th, 2021

Chapter members attended the 24th Annual National Conference in Washington DC. Several Chapters attended the Conference this year compared to the last few years. Fuzzy, Airshock, and Jackie got a front roll seat at the conference. National had a guest speaker from the New Freedom Farm, and Lieutenant General Thomas McInerney. During LTG McInerney 35 year career in the Airforce, he has seen a lot of action and has received several awards. LTG McInerney has been on the boards of several military contractors and was frequently a guest on Fox News. LTG McInerney's BIO is located on the next page.

Lois spoke about the New Freedom Farm and the help that the farm has brought to Veterans. The farm is known for healing Veterans through horses. The New Freedom Farm mission is to provide a refuge and rehabilitation from trauma to veterans and first responders, and equines, including the American Mustang. The New Freedom farm has an annual Freedom fest which will take place April 9th and 10th, 2022.

Several Rolling Thunder® Chapters throughout the States have paid a visit to the New Freedom Farm.

LTG McInerney

After graduating from USMA in June 1959, McInerney was commissioned as a second lieutenant in the United States Army. He then joined the Air Force, and completed initial pilot training at Bartow Air Base, Florida, and Laredo Air Force Base, Texas, in November 1960. He participated in the Berlin and Cuban crises in 1962, flying escort missions in the West Berlin Air Corridor and escort reconnaissance missions over Cuba during the Cuban Missile Crisis. In April 1963, he was one of the first forward air controllers assigned to South Vietnam with a Vietnamese army division. He participated in three additional Southeast Asia deployments.

After completing the Armed Forces Staff College in February 1970, he was transferred to the Directorate of Operational Requirements, Air Force headquarters. Upon graduation from National War College in July 1973, McInerney was assigned to the 58th Tactical Fighter Training Wing, Luke Air Force Base, as F-104 and F-5 director of operations. In August 1974, he became the air attaché to the U.S. Embassy in London. From November 1976 until October 1977, he was vice commander of the 20th Tactical Fighter Wing, Royal Air Force Station Upper Heyford, England. McInerney then became military assistant to Ambassador Robert W. Komer. In March 1979, McInerney became commander of the 3rd Tactical Fighter Wing, Clark Air Base, Philippines.

In February 1981, he became commander of the 313th Air Division, Kadena Air Base, Japan. McInerney then was deputy chief of staff for operations and intelligence, Headquarters Pacific Air Forces, Hickam Air Force Base, Hawaii, from June 1983 to July 1985, when he became commander of 3rd Air Force, Royal Air Force Station Mildenhall, England. In October 1986, McInerney was assigned as vice commander in chief, Headquarters U.S. Air Forces in Europe, Ramstein Air Base, West Germany. He became commander of Alaskan Air Command, Alaskan NORAD Region, and Joint Task Force Alaska in May 1988. McInerney assumed command of Alaskan Command upon its activation in July 1989 and became commander of 11th Air Force when Alaskan Air Command was redesignated 11th Air Force in August 1990.

McInerney's last active duty assignment was as assistant vice chief of staff, Headquarters U.S. Air Force, Washington, D.C. He retired from the Air Force on 1 July 1994. Upon his retirement, he kept his finger on the pulse of the intelligence community and national politics. He was a Military Analyst on Fox News from 2002 to 2018.

Rolling Thunder®, Inc National Conference

November 4th through 7th, 2021

The banquet was on Saturday evening after the conference. The selection was Chicken or Beef with all of the fixing's. The meal was great and the service was good considering how many people had to be served.

The picture to the right is a WWII widow that sat at our table from Florida. She was recognized by National and received a standing ovation.

November 4th through 7th, 2021

Arthur T. Foss Outstanding Award

During the Conference the Chapter was awarded the Arthur T. Foss Outstanding Award. The award is given out by National each year at the conference. This year, Indiana Chapter 1 was the recipient of the award for the success of the Indiana POW/MIA License Plate and the assistance provided to our Indiana Veterans. The Chapter can be proud of this accomplishment.

Art Foss was proud of his 27-year career in the U.S. Army, which included two tours of duty in Vietnam. Even after he retired from the Army, Art wanted to continue to serve the military families. With that in mind, in August 1999, Art became a Charter Member and the President of Rolling Thunder® Virginia Chapter 3. Art was dedicated to Never Forgetting the POW/MIAs and an advocate for the needs of today's military veterans and their families.

He diligently served as the Senior State Director for Rolling Thunder® Inc. and was instrumental in starting additional Chapters in Virginia and Maryland. Art was committed to bringing government awareness to our POW/MIAs and to educate the children and the public on the need to support our veterans.

Under Art's straight-forward, no-nonsense leadership of Rolling Thunder® VA Chapter 3 it raised funds and sponsored several veterans' events such as a Father's Day Cookout at McGuire VA Hospital in Richmond; Thanksgiving and Christmas food baskets for active duty military families; and "The Ride Home," which is a special weekend to honor all former Prisoners of War and remember those still Missing in Action.

Although he had a gruff-look and a no-nonsense approach to life, Art will be remembered most for his compassionate understanding of fellow veterans; care for his brothers and sisters of Rolling Thunder®; and his strong love for family.

Rolling Thunder® , Inc National Conference

November 4th through 7th, 2021

National President Joe Bean introduced a Rolling Thunder ZIPO Cigarette Lighter that's available for purchase for \$25.00. Even if you don't smoke, the Cigarette Lighter will be a good collectors item.

Orders will be taken by the Chapter Quartermaster.

National President Joe Bean also announced the proposal of a Rolling Thunder® engraved Henty 44 rifle. The cost of the rifle with the engraving is still being researched and will be provided to the Chapters when known.

Veterans Day Parade

November 11th, 2021

Unfortunately, the Veterans Day Parade was cancelled due to bad weather, but the Veterans Memorial Service still took place at the Indiana War Memorial. A few of our members were able to make the service to include Keith and Katherina Bean, Larry Paynter and Jim Haarbauer. The service had about 100 people in attendance. The below pictures were provided by Katherina.

BINGO at the Indiana Veterans Home

Saturday December 4th, 2021

On Saturday December 4th, the Chapter will host a BINGO Game with the Veterans at the Indiana Veterans Home in Lafayette. In addition, we will load up 50 bags of treats to include Hershey's chocolate, can of soda, bag of candy, Chapstick, lotion, pens, and crossword puzzles.

The Veterans take their BINGO serious and don't take any mistakes lightly. If you call a number out wrong they will definitely let you know. Alex called the numbers a few years ago and got fired by the Veterans for not pronouncing the numbers correctly. Vern is depicted here cautiously calling the BINGO numbers.

Hosting a BINGO game is a great time and a lot of fun. It also gives the Veterans some extra cash to spend.

History of The Gadsden Flag

Don't Tread on Me Flag

The bright yellow [Gadsden flag](#), long a symbol of support for civil liberties and disagreement with government, has its beginning deeply rooted in the days of the American Revolution. The rattlesnake, the Gadsden flag's central feature, had been an emblem of Americans even before the Revolution. The Pennsylvania Gazette published an article in 1751 bitterly protesting the British practice of sending convicts to America where the author suggested that the colonists should return the favor by shipping them "a cargo of rattlesnakes." Three years later the same newspaper published what is believed to be one of the first political cartoons in America. It was of a snake cut into eight sections with the words "Join, or Die" below. Each section represented a colony and was warning of the dangers of disunity.

The rattlesnake symbol caught on and became a part of several other Revolutionary War flags. Before the departure of the United States Navy's first mission in 1775, Continental Colonel Christopher Gadsden from South Carolina presented the newly appointed commander with a yellow rattlesnake flag to serve as a standard for his flagship. Accompanying the Navy on its first mission were five companies of Marines carrying yellow drums featuring a snake with 13 rattles and the words "Don't Tread on Me." The Navy later adapted the snake emblem and "Don't Tread on Me" motto into what is now known as the [First Navy Jack](#). Featuring a rattlesnake stretched across 13 red and white stripes with "Don't Tread on Me" below, the Secretary of the Navy ordered in 2002 that this powerful American symbol will fly on all naval ships for the duration of the War on Terrorism.

About the same time Gadsden presented the Congress of South Carolina with his yellow flag another variation of the snake theme was gaining in popularity. The [Culpeper flag](#), the white banner carried by the Minutemen of Culpeper County, Virginia, is essentially the Gadsden flag with several additions. A ribbon with the words "The Culpeper Minute Men" was added along with the words "Liberty or Death" in honor of the man who organized the Virginia militia, Patrick Henry.

Although there have been several adaptations of the snake emblem, the Gadsden flag continues to be reintroduced as a symbol of defending freedom and the rule of law. Since 2009, the Gadsden flag has become associated with the American Tea Party Movement, as well as several other protest events. For historical reasons, the Gadsden is still popularly flown in Charleston, South Carolina, in tribute to the man who first presented the yellow snake flag.

In December 1775, “An American Guesser” anonymously wrote to the Pennsylvania Journal:

“I observed on one of the drums belonging to the marines now raising, there was painted a Rattle-Snake, with this modest motto under it, ‘Don’t tread on me.’ As I know it is the custom to have some device on the arms of every country, I supposed this may have been intended for the arms of America.”

This anonymous writer, having “nothing to do with public affairs” and “in order to divert an idle hour,” speculated on why a snake might be chosen as a symbol for America.

First, it occurred to him that “the Rattle-Snake is found in no other quarter of the world besides America.”

The rattlesnake also has sharp eyes, and “may therefore be esteemed an emblem of vigilance.” Furthermore,

“She never begins an attack, nor, when once engaged, ever surrenders: She is therefore an emblem of magnanimity and true courage. ... she never wounds ’till she has generously given notice, even to her enemy, and cautioned him against the danger of treading on her.”

Finally,

“I confess I was wholly at a loss what to make of the rattles, ’till I went back and counted them and found them just thirteen, exactly the number of the Colonies united in America; and I recollected too that this was the only part of the Snake which increased in numbers. ...

“’Tis curious and amazing to observe how distinct and independent of each other the rattles of this animal are, and yet how firmly they are united together, so as never to be separated but by breaking them to pieces. One of those rattles singly, is incapable of producing sound, but the ringing of thirteen together, is sufficient to alarm the boldest man living.”

Many scholars now agree that this “American Guesser” was Benjamin Franklin.
